

# LISTENING THROUGH DRAWINGS AND DOODLES

DRAWING OR DOODLING CAN HELP YOU LISTEN AND LEARN. BELOW ARE SOME IDEAS FOR USING THIS PAGE:

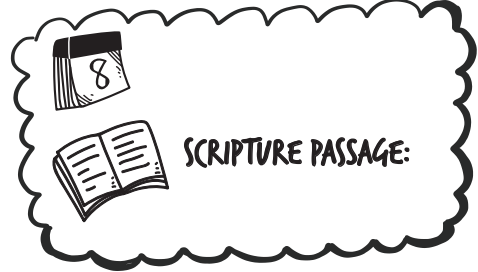

**GOD**

- ★ **DRAW** a picture about the Bible passage that was read or about something you hear in the sermon.
- ★ **FIND** a word or words in the Bible passage or from what you are hearing that seem particularly important. Write those words down and doodle around them, making patterns or drawings that the words bring to mind.
- ★ **CREATE** a mind map. Start by writing the Bible passage or a part of it in the middle of the page. Then add key words and ideas in circles placed around the page. Draw lines to show how those ideas are connected to each other and to the passage.

# LISTENING AND REFLECTING NOTES

I HEARD . . .

## DURING THE WEEK

Review these pages later this week and spend time reflecting using one of these ideas or your own.

I'D LIKE TO REMEMBER . . .

4

- ★ **TRY** doodling as you pray. You could draw or name the people, places, and things you are praying about.
- ★ **LEARN** more about the Bible passage or story. Read what came before it and what came after it. Then read the passage or story again. What new things do you notice? What do you wonder about?
- ★ **READ** the Bible passage or story again. Look at your notes. What do you notice? Are there any new wonderings you would like to add?
- ★ **INVITE** the Holy Spirit to show you ways to use what you learned. Make a plan to do so.
- ★ **READ** the Bible passage or story out loud with others. Wonder about it together.

I'M GOING TO RESPOND TO GOD'S WORD WITH/BY . . .
